

MODULAR **X** PROGRAM CONTAINER SCIF

Adamo's most cost-effective and fastest SCIF solution.

Container SCIFs can be used as a free-standing structure or placed inside a hangar or warehouse.

Delivered to your site ready to use. Attach power and data/comm to prewired connections, and you are ready for accreditation.

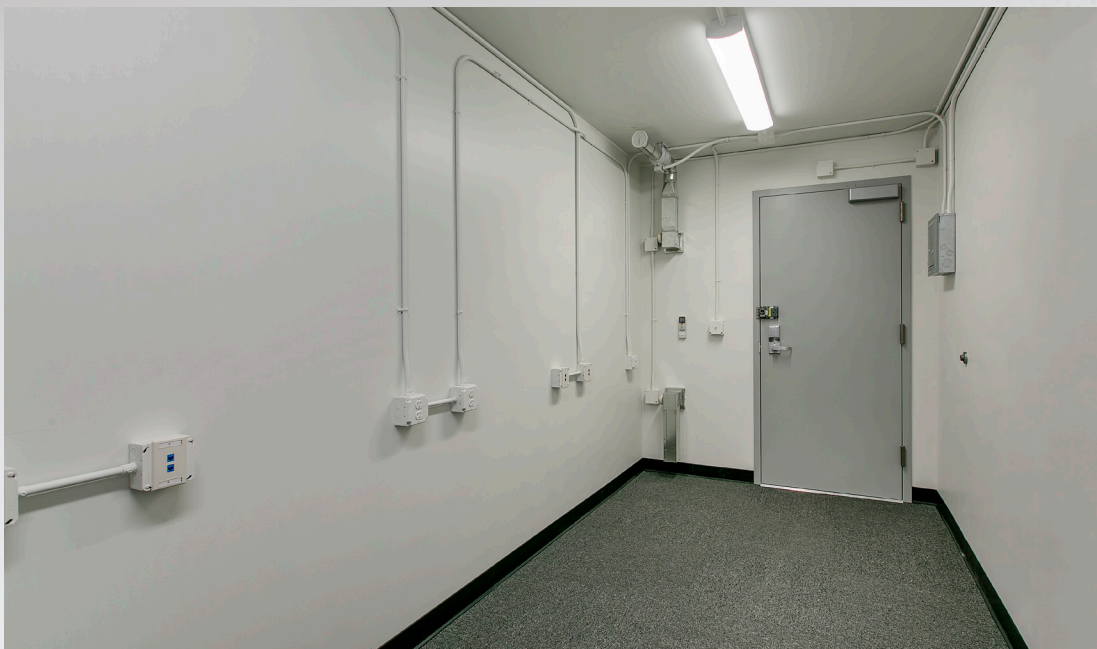

Extremely versatile—they can easily be prepped and ready for rapid deployment.

The Container Advantage

- Ship in as little as 6 weeks
- Off-site construction
- Available in standard 8' wide x 8' high x 20' or 40' long
